Friends and Neighbors:

May 2023

Thanks to BPPA leadership for allowing us to communicate during this BPPA Membership drive. CFBPP (a 501(c)(3) Charitable Foundation) was formed in 2006 to facilitate quality-of-life improvements for residents of Peninsula Point. Our Foundation designation gives us wide latitude in performing projects that are not permitted under the more restrictive BPPA 501(c)(7) designation. Those of us on the Foundation Board of Directors are all members of BPPA and we actively support all of their programs. We encourage you to do the same by renewing your membership or joining BPPA for the first time during this membership drive.

BPPA is recognized by the City of Newport Beach as the official Peninsula Point Community Association and voice of Peninsula Point. Although the Foundation has gained significant City visibility during our 13 years of existence, we always coordinate with BPPA prior to any program initiation. We think of ourselves as an extension of BPPA in that sense, but we have much more flexibility in choosing projects. We have no members, per se, but we are your neighbors and are focused on finding projects that will make life better for all of us. Your tax-deductible contributions allow us to do this.

Over the years, the Foundation has commissioned 2 popular murals in Balboa Village, funded landscaping of Main Street and I Street Island, lighted G Street Island, provided key CERT equipment, funded the security patrol program and more (see representative photos below). Last year, we expanded the security patrol program to run through September of this year, worked with the city to improve beach entrances, developed a plan for use of License Plate Readers in coordination with NBPD for crime investigations and dealt with repair of serious graffiti damage to the Balboa Village mural.

Our focus now is to raise enough money every year to fund a year-round security patrol program. This has been a very popular program and benefits us all on the Point. We cannot do this without your contributions. Please donate what you can and we will continue to act as your unpaid advocates for a safer and more beautiful and safer Peninsula Point.
