P R E S I D E N T ' S M E S S A G E

Dear BPPA Friends and Family:

*Hello from all of us on your 2019-20 BPPA Board! I'm glad to have this opportunity to serve as President, and thanks in large part to the heavy-lifting done by **Nick** and his predecessors, the transition has been seamless.*

*As most of you already know, the BPPA is a social organization, and we fall under some strict guidelines outlined by the IRS. As such, our focus has to be on all things social. For those of you that attended the Easter Egg Hunt, I'm sure you could feel that **Lyndsee** and her Hospitality committee take this role quite seriously, so we have a fun year in store.*

We are also lucky to have the ear of our local politicians, so we'll continue to act as an information source, but we as BPPA's board cannot be the activists. We have excellent liaisons in place, and they will be sharing the news they gather that pertains to us here on the Peninsula, but this will only help if we all participate where possible, whether that's attending Council meetings or simply signing petitions. We need everyone to be involved in the issues that affect our community.

As I read through past Pointers, the adjective most commonly used is "lucky". I think it's safe to say that most, if not all, of us living on the Peninsula had choices when we picked Peninsula Point as our home. I know Mark and I feel very lucky to have found this version of Mayberry when we saw a Craigslist ad for a rental (which turned out to be above Daisy's Natural Nails) 13 years ago. The "charming beach condo" may not have been a good fit for us, or anybody else under the age of 30 for that matter, but I'm glad we continued driving down Balboa Blvd. and found Peninsula Point. Two rentals and a house-build later, here we'll stay.

I feel lucky to have a chance to do right by the neighborhood I care so much about, and to do so with a team of people that each brings enthusiasm and skill to their job. I thank each of them for saying yes when asked to serve this year; you are my Dream Team!

Warmly,

Debbie Johnson

This photo was sent to us by Amanda Baker, grand-daughter of Peninsula resident Betty Morgan. While Amanda and a friend were visiting, they were able to shoot photos of a mystery-man swimming with one of the migrating whales. Can anyone identify this lucky guy? And if you have a photo that shows the unique lifestyle we enjoy on the peninsula, please email it to byant@aol.com. It may just wind up in an issue of the Pointer.

Community Emergency Response Team (CERT)

The Peninsula Point **C**ommunity **E**mergency **R**esponse **T**eam is looking for a few good people to join our committee. You do not have to be certified by the Fire Department (CERT trained) to join us, you just need to be interested in helping the committee to maintain and improve the disaster plan for the Peninsula Point.

We will be conducting a Block Captain event at "L" Street Park on July 15th 10:00 - 11:00. Please feel free to stop by to get information on the emergency program for this area and find out how you can be prepared for a disaster.

If you would like to join the committee or just have questions, please feel free to contact **Kathie Malcomb**, 949-887-1704.

K.M.A. Security will again be patrolling the Peninsula Point beginning May 29th. The schedule will be five days per week, Wednesday through Sunday, May 29th - June 30th, and seven days per week, July 3rd to September 2nd, 8PM-4AM. K.M.A. prepares a daily report which can be seen on the BPPA-NB.com website. Please call 714/538-1001 if you have any security concerns.

A special thank-you goes out to **Lyndsee Rosenthal** and the Hospitality Team who ensured that there would be eggs in ever basket!
