BALBOA PENINSULA POINT POINTER

Published By The Balboa Peninsula Point Association

April 2010

Greetings,

I hope this Pointer finds everyone well and enjoying the spring season. Summer will be here before we know it and I am looking forward to seeing everyone at the neighborhood BBQ's at the bay beach and around our great neighborhood enjoying all that it has to offer.

It's that time of year to transition our board of directors with the annual election taking place this month of April. We have a terrific group of directors that have been voted in for the upcoming year. I want to take this opportunity to let everyone know what a pleasure it has been to serve the community this year in my capacity as President. Although we had a lot going on with the logistics of the under grounding project, as well as some other initiatives, we had a lot of fun with our seasonal events and summer BBQ's, which is what it is all about.

I want to thank all of the board members for their dedication and hard work in making it all happen and giving back to the community by serving on the board. It has been great working with you and getting to know each of you better through the year. A few people will be transitioning off the board and we are grateful for their contribution over the years. A special thanks to the three new board members that will be joining the group this year – Chris Clarke, Sandy Van Schoonenberg and Rick Taylor! Many of the existing board members will be staying on as well and we certainly appreciate their continued dedication and support. Thanks especially to Rick Piani for taking on the President's position – I know he will do a great job!

I have to say this is a great place to live and not just because of where it is, which is pretty special, but more importantly because of the people that live here. We are all blessed to be a part of this community.

Carl Morabito

Incoming President's Message

Hello Everyone,

I would like to introduce myself. My name is Rick Piani and I have been elected as President of the BPPA for the upcoming 2010/2011 year. I would also like to thank the new board members their commitment and look forward to working with you.

One important date to put on your calendar: At our next board meeting May 11, 2010 we will have Paulus Engineering (waterline contractor) giving us a "wrap-up" summary. If you have any questions for them please try and attend.

Our BPPA meetings are held on the second Thursday of every month-7:00 PM at the Peninsula Point Racquet Club.

I am looking forward to the upcoming year. If you have any questions or concerns please feel free and give me a call.

Membership

It's time to renew your BPPA membership for 2010-2011! Not only does your membership include access to the bay beach and social events like the Easter Egg Hunt and 4th of July Parade, it also supports our community involvement. We are making an effort to deliver new directories by early summer, so the deadline for directory listing will be **June 1, 2010.** If you have not received a membership letter, please call Gloria Oakes at (949)675-1152.

Membership duties will be taken over by Sandra (Sandy) Van Schoonenberg for 2010-2011. I'd like to thank my wonderful silent partner, Denise Macias-computer whiz extraordinaire!-for her cheerful and competent support during our term as the membership committee.

Hello from your outgoing Treasurer

I have really enjoyed serving this year as keeper of the coins and know that Carl will do a great job next year as our CFO. I have also been working on the TOT Lot planned for our little G street park and will continue moving that forward. Recently we have had great cooperation from the City and the Community Foundation of Balboa to make this project happen in 2010.
