A Message From The President

Hi Everyone,

Last month I was so excited to announce our new website that I overlooked a couple of things. We elected a new slate of officers that was unanimously approved. Congratulations and **Thanks** to all the new Board Members. I would also like to **Thank** all the Board Members who served last year. Remember this is all voluntary and everyone put in a lot of time and effort. So if you see one of the board members remember to say "Thanks for all you do".

Sam Aiello

We had a great turnout at our last meeting. Matt Brisbois from the NBFDD spoke about disaster preparedness. He talked about the city's plan to evacuate us in case of an emergency. A Q&A session followed his presentation and we had some great questions and suggestions that Matt will hopefully present to the right people. It is really nice when you get a lot of people in a room all thinking and working together on how to help each other out- we live in a great neighborhood! Your participation is welcomed and appreciated. At our next meeting on June 7 we will have a guest speaker from the NBPD who will speak about the Neighborhood Watch Program and how to we can get one started.

Hopefully you have received your new membership sign ups in the mail. If you haven't, give the membership committee a call and we will get one over to you.

Bob Yant has added a new feature to the website and you can now go to the website and sign up to receive your Pointer by e-mail. Check it out: user name BALBOA, password 1255.

Hope to see you at the next meeting,
Sam

Join the BPPA

BPPA membership has its privileges... knowing the beach gate code, which changes on June 1st, and being included in the directory are two of them! Please send in your membership dues by July 1 to be listed in the directory.

Thank you, the Membership Committee

Friends of Balboa Peninsula Point sign

We are doing a facelift on the sign at G Street and Balboa Blvd. The sign will be removed for a while and re-installed when completed. Our low bid was from Freedom & Beach Signmakers, the company that maintains our local city park signs. We have received many needed donations for this project and continue to collect. If you would like to participate, send your check to: Carol Davis/Sign Fund 405 Seville Ave Balboa, 92661. All overage will be maintained in the BPPA treasury (Sign Fund).

If you would like to submit articles for consideration in next month's Pointer please send them to Cathy Kinney at rckinney@pacbell.net
